ART DAY

AT THE RUG SHOW

Javits Center, NYC

Join us for an interactive workshop in the basics of carpet design at The Rug Show NYC. Participants will be invited to engage in a creative and informative art session conducted by the Creative Matters team. At the conclusion, attendees will have a greater understanding of the process of turning artworks into production-ready rug designs.

The rug deemed "Best Design - Art Day at The Rug Show" will be taken into production. One piece will be gifted to the designer, and the other will be raffled with the proceeds going to Label STEP - an NGO working to promote fair trade within the handmade rug industry.

Participants will also earn one CEU for participation in the workshop!
