SPRING 2015

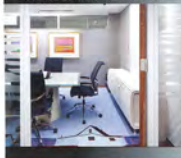

SPRING 2015 \$6.95 CAN

# PUBLIC FACE

For the renovation and revitalization of Canada House, on Trafalgar Square in London, the design team tapped a cross-country roster of creative talents. The result is a vibrant new persona that builds elegantly on the structure's neoclassical origins and 200-year diplomatic history.

PRINCE EDWARD ISLAND ROOM

ALBERTA ROOM

MANITOBA ROOM

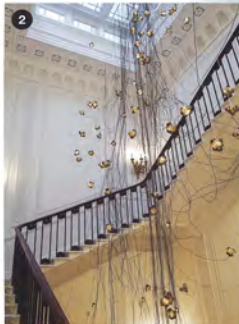

QUEBEC ROOM

SASKATCHEWAN ROOM

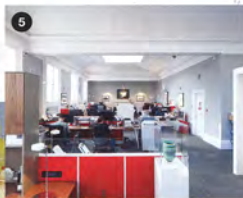

ONTARIO ROOM

1. The Canada House renewal project, led by design firm Stantec, included refurbishment of the exterior. 2. A 14-metre glass-and-metal chandelier, by B.C.-based Bocci, hangs above the Grand Staircase.

3. Uvula stool by Ontario-based furniture maker Brothers Dresler. 4. Ontario firm Creative Matters turned the works of 16 artists into textile designs for the House's 29 custom carpets; shown, a design by H. Kearney for the third-floor elevator lobby. 5. A staff office.

6. Cut Ups Block coffee table by Ontario-based furniture maker Brothers Dressler. 7. Why Not bench by Quebec wood artist Kino Guérin. 8. The carpet in the Newfoundland and Labrador room is based on a work by Newfoundland artist Will Gill. 9. The new Queen Elizabeth Atrium on Cookscur Street. 10. Pacific Room. The meeting rooms in the House have been named for each of the 10 provinces, the three territories and the three oceans that border Canada.
